Very nice to meet you all.

CUT BACK TO ELINOR ON THE LEFT SIDE OF THE TABLE

She goes to sit down at the table when:

18 CAMILLA 18
Tut tut, Elinor! Not just yet!

BETWEEN ROBO & DESTINY ON RIGHT SIDE OF TABLE. (VERY PROPPER)

She <GIGGLES>.

19 CAMILLA 19
First, to be extra-fancy ... we need to pick out the jewelry we're going to wear for the tea party.

Elinor becomes surprised.

20 ELINOR 20
Jewelry? Ooooh! That's really fancy!

Camilla pulls out a LITTLE JEWELRY CHEST. - CAN ALREADY BE ON THE TABLE, OFF TO THE SIDE - CAMILLA CAN REACH OFF TO THE SIDE AND BRING IT INTO THE SHOT.

21 CAMILLA 21
This is my dress-up jewelry. Let's take a look! - OPENING THE BOX, SO THE INSIDE IS FACING ELINOR

She <GIGGLES> again, opening her jewelry chest and revealing some SPARKLING TOY/COSTUME TRINKETS. Elinor looks a bit unsure.

22 ELINOR 22
Hmmmm. I'm not sure what jewelry to wear!

23 CAMILLA 23
No problem! — WALKING BACK OVER TO ELINOR

- CAMILLA ENTERS & PUT DOWN BOX.
- PUTS BRACELET ON ELINOR.
- THEN TAKES OUT EARRINGS + NECKLACE
- STERS IN FRONT OF ELINOR SO WE DONT SEE HER PUTING THEM ON
- CAMILLA THEN STERS AWAY FROM ELINOR FOR REVEAL.

She grins and bedecks Elinor with some of the trinkets, like a NECKLACE, CLIP-ON EARRINGS and a few BRACELETS.

24 ELINOR 24
Wow, Camilla! I feel ... SINGLE SHOT

25 CAMILLA 25

26 CAMILLA 26
There! We...look...FABULOUS!

Both Elinor and Camilla <GIGGLE> at this, doing a short twirl in the backyard.

27 2 SHOT ELINOR 27
I feel (impression of Camilla) FABULOUS!

The girls <GIGGLE> again as Camilla pulls out a real RING from her jewelry chest.

28 CAMILLA 28
TAKING OUT RING
And look, Elinor! This is my Mom's special ring from when SHE was a little kid! And she's letting me wear it just today for our tea party!
— CLOSE UP OF RING

Elinor marvels at the ring.

29 ELINOR 29
It's really beautiful.

2 SHOT

Camilla smiles and tries to put the ring on her finger. She struggles with it.

30 CAMILLA 30
Hmph! It's...a bit...of a tight... fit!

SINGLE

She finally gets the ring on and holds it out for show.

31 CAMILLA 31
(happily)
Got it! It's soooooo pretty!

She turns her attention back to the tea party set-up.

32 CAMILLA 32
Alright! Now let's have the most splendid tea party ever!

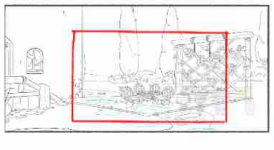
2 SHOT

A <SFX: SLIGHT PITTER PATTER> and both Elinor and Camilla stop in their tracks.

DROP LANDS ON ELINOR'S HEAD

33 ELINOR LOOKING UP. 33
Huh? I think that's ...

<SFX: LOUDER PITTER PATTER> followed by a DOWNPOUR OF RAIN!



WIDE

34 CAMILLA 34
Oh no! It's raining! My guests!

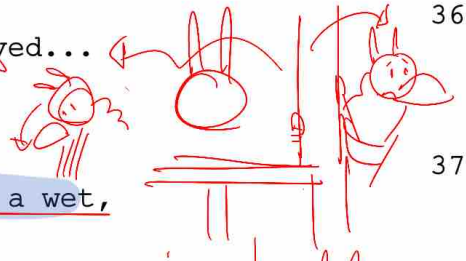
35 ELINOR 35
Quick, Camilla! We gotta rescue'em!

2 SHOTS.
-ELINOR PICKS UP TEDDY
-CAMILLA GRABS ROBO + DESTINY, THEN RUNS OUT OF SHOT

She scoops up the dolls and plushies and Camilla is right with her. They bring the toys to a SMALL COVERED AREA WITH AN AWNING on the back patio. -SEE IMAGE AT TOP OF PAGE 1

36 CAMILLA 36
Phew! Our guests are saved...

-CAMMILLA SETS DOLLS DOWN FURTHER BACK ON PATIO



She looks out at the rain.

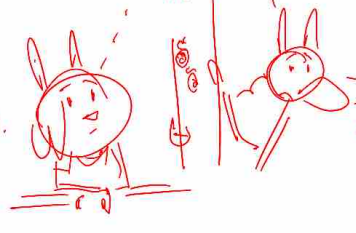
CAMILLA THEN LEANS OUT TO LOOK AT HER TEA PARTY.

37 CAMILLA 37
...but our tea party is a wet, sloppy disaster! Ugh!

SHOT OF TEA PARTY.

38 ELINOR 38
Wow! It's raining a lot!

-LOOKING UP AT SKY.
-SHE THEN NOTICES SNAILS.



-CAMILLA IS HOLDING THE POST HANDS NEAR THE SNAILS, WITHOUT KNOWING

The rain continues as Elinor looks to one of the POSTS holding up the awning. She spots a PAIR OF SNAILS crawling up it.

39 ELINOR 39
(excitedly)
Look, Camilla! Snails!

40 CAMILLA 40
(a bit grossed-out)
I see them ...

LETTING GO OF RAICING, AND MOVING TO SL OF ELINOR, PUTTING ELINOR BETWEEN HER + THE SNAILS.

Elinor peers closer.

41 ELINOR 41
Look at how they're slithering up!

SHOT OF ELINOR & SNAILS

She watches the snails, fascinated.

42 ELINOR 42
Snails are soooo cool! I wonder how they can climb like that ... ?

Camilla looks over to Elinor. She points at the snails.

43 CAMILLA 43
Ewww! Those snails are leaving SLIME behind! Ew! Ew! Ew! Soooo not FABULOUS!

CUT TO CAMILLA

SCIENCE CU ON: snail slime.

44 ELINOR 44
Snail slime isn't "ew", Camilla. I'm sure they make slime for a good reason.

She smiles, watching the snails some more.

45 ELINOR 45
Every animal is different in ways that help them.

BENDING DOWN, PICKING UP STICK FROM PATIO FLOOR

She picks up a nearby STICK and pokes the snails' slime trail, showing how sticky it is.

46 ELINOR (O.S.) 46
Whoa! Look at how sticky the snail slime is. I bet their slime helps them climb up things like this post.

ANGLE ON: the snails climbing.

Camilla nods, a bit fascinated.

47 CAMILLA 47
That is kinda cool. But still ...ew.

48 ELINOR 48
(to snails)
<GIGGLES> You two are great little climbers!

2 SHOT, W/ SNAILS - CAMILLA IS LEANING IN A BIT, BUT IS STILL BEHIND ELINOR

The two girls continue to watch the snails climb as the rain slows down and stops. The sun then peeks out. - LIGHT COMES INTO SCENE

49 CAMILLA 49
The rain stopped. Let's get back to our party, Elinor. It's tea time!

CAMILLA LEANING OVER RAILING, LOOKING UP TOWARDS SKY, IN WIDE SHOT.

She runs back out to the tea party table with Elinor right behind her. The two stop, seeing the table is still wet all over, a BIG PUDDLE in the middle of it. - KIDS DON'T BRING STUFFED ANIMALS W/ THEM

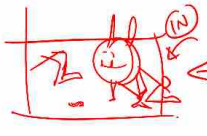
SHOT OF TABLE. - CAM PULLS OUT TO SHOW THE SURROUNDING AREA, AS KIDS ENTER

50 CAMILLA 50
Aww. The table's all sloppy and soaked. I don't think we can --

WIDE

Camilla moves toward the table.

51 ELINOR 51
Freeze, Camilla! You're about to step on ... a worm! - CAM PUSHES IN ON WORM OR "A WORM"



amilla looks down and sees a WORM right by her foot.

SINGLE MID SHOT

52 CAMILLA 52
Eeek! Not fabulous! Not fabulous!

She jumps away and both Elinor and Camilla see that the paved area is full of more WORMS. - 5-6. DON'T OVERDO IT.

53 CAMILLA 53
So many worms. This was supposed to be a tea party, not a worm party.

WIDE

54 ELINOR 54
I know! But isn't it great? Where did they all come from?

STANDING BACK UP.

She looks around, studying the scene.

55 ELINOR 55
It must be because of the rain. When it's wet out, we see worms more often.

56 CAMILLA 56
Really?

57 ELINOR 57
Yeah! They like to come out of the soil and crawl on sidewalks and other smooth spots.

Camilla appears confused.

58 CAMILLA 58
But why? Wouldn't it be better if they stay in their nice, comfy dirt? Away from me?

59 ELINOR 59
(smiling warmly)
My mom says no one knows for sure why they do it!

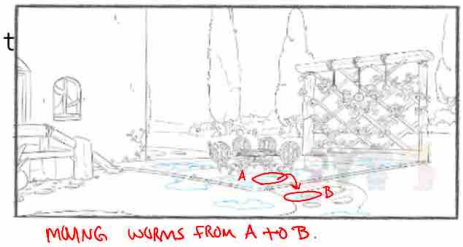
CLOSE UP OF WORM

She watches a worm slowly slide off the pavement to the soil, where it picks up speed and moves more quickly.

60 ELINOR 60
Wow, look at how fast they can move into the soil. I wonder how they can do that?

SHE IS ALREADY DOWN ON HER KNEES.

~~She kneels down to the worms~~, looking up at t back to the worms.



MOVING WORMS FROM A TO B.

61 ELINOR
We better hurry and help these worms. If they're still here when the water dries out, they'll get stuck!

She starts beckoning the worms.

62 ELINOR 62
Here, little squiggly friends! Time to get you home!

SHIFTS OVER ONE STEP, LEADING THE WAY, WHILE STILL ON HER KNEES.

She <LAUGHS>.

63 ELINOR 63
C'mon, Camilla! Let's help some worms!

Camilla looks less than pleased by this ... but then shrugs.

64 CAMILLA 64
Okaaaaay. I guess we can help them get back to their home.

MID SHOT
- CAMILLA STEPS OVER TO TABLE AND PICKS UP 2 SPOONS

CAMILLA HANDS ONE OF THE SPOONS TO ELINOR AS SHE CROUCHES DOWN

She uses a TEA SET SPOON, trying to pick up a worm but it keeps on sliding off.

CLOSE UP OF WORM + SPOON

65 CAMILLA 65
This worm won't stay on my spoon.
Ew! They're so slimy!

WIDE

Elinor watches Camilla try again and spots some WORM SLIME.

66 ELINOR 66
Whoa, they do have slime. They're covered in it!

CLOSE UP OF WORM + ELINOR'S SPOON

She touches the worm slime with her spoon.

67 ELINOR 67
And it's so slippery! I bet the slippery slime helps them crawl in the dirt faster.

She beams in realization.

68 ELINOR 68
So slime can be sticky AND slippery! That is so interesting!

69 CAMILLA 69
That's sorta cool ...
(shaking her head)
...but still, EW! I never want to touch slime. Never, ever, ever!

1 WORM EACH - THE ELINOR HELPS ONE LAST ONE.

They continue to help worms to the soil with their tea set spoons with Elinor assisting the last one along. She waves goodbye to it.

70 ELINOR 70
Good luck, worms! Have fun being slimy in the dirt!

She <LAUGHS> as she and Camilla turn back to the tea party table.

71 CAMILLA 71
(glumly)
Everything is still too wet. I guess we won't have a tea party today. We might as well take off our fancy jewelry ...

BOX IS STILL ON TABLE.

SHOW THEM STARTING TO TAKE OFF SOME ITEMS.
-AVOID SHOWING NECKLACE BEING TAKEN OFF BY CUTTING TO OPEN BOX AND ITEMS BEING PLACED IN IT
-THEN SHOW CAMILLA STRUGGLING WITH RING IN A SINGLE MIDSHOT.

She and Elinor begin removing their trinkets and returning them to the jewelry chest. Camilla then tries to remove her mother's ring from her finger but struggles with it.

72 CAMILLA 72
Nngh! Ooof! Ack!

73 ELINOR 73
What's wrong, Camilla?

74 CAMILLA 74
I can't get my mom's ring off! It's ... it's stuck!

75 ELINOR 75
Maybe I can help!

She tries to help Camilla, gently pulling, pushing and tugging on the ring.

76 CAMILLA 76
It's not coming off at all!

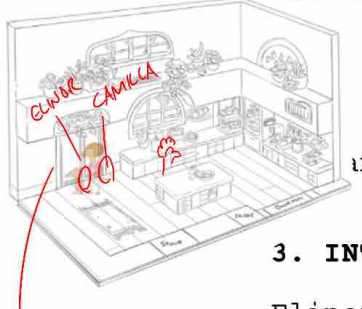
Camilla throws her arms up in the air, upset.

77 CAMILLA 77
This is the worst day ever. First, our tea party gets rained on and now my mom's ring is stuck on me.

She slumps.

78 CAMILLA 78
My mom will probably never let me borrow any of her fancy jewelry again.
(beat, resigned)
<SIGHS HEAVILY> We better go tell her.

and Elinor head inside the house, defeated.



3. INT. CAMILLA'S HOUSE - KITCHEN - A FEW MINUTES LATER

Elinor and Camilla arrive in the kitchen, finding Ms. Dromedary standing at the counter and working on her succulent plant.

79 CAMILLA 79
Mom...

80 MS. DROMEDARY 80
Yes? What is it, dear?

She stares at Camilla intently, giving her the "mom look". Camilla looks down, hiding her hand with the ring behind her back.

- ELINOR & CAMILLA JUST INSIDE THE DOOR.
- CAMILLA IS STANDING SR OF ELINOR, CLOSER TO MS.D.

81 CAMILLA 81
I ...I... I...um...
(smiling innocently)
...was just wondering what you were doing?

82 MS. DROMEDARY 82
Oh! Well, I was just opening up one of the leaves on this aloe vera plant.

She opens up the LEAF as Elinor watches with great interest while the increasingly tense Camilla continues to hide her hand behind her back.

ELINOR MOVES IN TO GET A CLOSER LOOK, PASSING IN FRONT OF CAMILLA, WHO STAYS BEHIND

83 MS. DROMEDARY 83
And inside its leaves is ...

84 ELINOR 84
<GASP!> Slime!

She stares at the GOOPY SUBSTANCE within the succulent leaf. Ms. Dromedary <LAUGHS>. Camilla <LAUGHS> as well, nervously and still uncomfortable.

85 MS. DROMEDARY 85
Yes. An aloe vera is a kind of plant called a succulent. It has a special slime inside.

THOUGHT BUBBLE: We see the plant absorb water and store it inside its slime. The sun shines down bright on the plant, but it still stays healthy.

86 MS. DROMEDARY 86
The plant uses the slime to store water for when it's dry. That way it always has enough to keep it healthy.

She holds the leaf closer to the girls to show what's inside, which causes Camilla to step back a bit, holding her ring hand away.

87 MS. DROMEDARY 87
See? Take a look ...

88 ELINOR 88
It really IS gooey and slippery!

As Elinor marvels at this, Camilla can't help but <SIGH> and hold out her ring hand to her mother.— FINALLY STEPPING FORWARD, AWAY FROM THE DOOR.

89 CAMILLA 89
Mom, your special ring is stuck on my finger ... and I can't get it off. I'm sooo not fabulous.

Ms. Dromedary smiles at her daughter.

90 MS. DROMEDARY 90
That's okay, Camilla. These jewelry problems came happen sometimes, you're still fabulous.

KNEELING DOWN IN FRONT OF CAMILLA & ELINOR

She focuses on the ring.

91 MS. DROMEDARY 91
Let's give it a slight yank, shall we ...

She pulls on the ring but it doesn't come off.

GROUP SHOT

92 MS. DROMEDARY 92
Nggh!

93 CAMILLA 93
See! It won't come off! I'm sorry, Mom!

94 MS. DROMEDARY 94
It's okay dear. (thinking) Hmm. If there was only a way to make the ring slippery...

MID SHOT

Elinor brightens at this.

95 ELINOR 95
Wait a minute! Slime helps worms slip around in the soil ... maybe Slime can help take the ring off!

2 MID SHOT

Camilla <GAGS> a bit.

96 CAMILLA 96
Worm slime? I'd rather have this ring stuck on my finger forever than touch worm slime.

97 ELINOR 97
Not worm slime ... maybe we can use the slime from the aloe vera plant?

GROUP SHOT

Ms. Dromedary smiles at the girls.

98 MS. DROMEDARY 98
Can't see why not. Good idea, Elinor. Let's give it a shot!

STANDING UP AND STEPPING OUT OF SHOT SR GOING BEHIND THE ISLAND → CAM THEN PUSHES IN ON ELINOR + CAMILLA

She takes some of the slime from the succulent plant but Camilla looks hesitant.

99 CAMILLA 99
Uhh.... I don't know about this, Mom. I'm not a big fan of slime!

100 SINGLE - STANDING AT COUNTER, GETTING THE SLIME

MS. DROMEDARY 100
<CHUCKLES WARMLY> It'll be fine, Camilla. The slime inside an aloe vera has nutrients that helps your skin stay healthy. I was just making some hand lotion gel with it when you came in.

MS.D KNEELS BACK DOWN WITH SLIME READY

101 CAMILLA 101
(reluctantly)
Okay, Mom ... if you say so.

She takes a <DEEP BREATH> as Ms. Dromedary gently applies the slime on Camilla's hand ... and Camilla smiles.

102 CAMILLA 102
I-I-I ... I like how it feels! It's so-so nice and COOL!

She plays with the slime a bit, enjoying it.

103 ELINOR 103
Whoa! Slime that's good for your skin... that's so interesting!

Everyone <LAUGHS> as Ms. Dromedary focuses in on the ring again.

104 MS. DROMEDARY 104
Here we go!

She works the slime around Camilla's ring finger as Elinor watches closely.

105 ELINOR 105
It's going to work! I just know it!

106 CAMILLA 106
I sure hope so!

Ms. Dromedary takes a hold of the ring ... she tugs and tugs, and finally ... it slips off Camilla's finger.

START AS A GROUP MID SHOT AND END AS A CLOSE UP ON THEIR HANDS.

107 CAMILLA 107
Yes! It worked! Thanks so much, Mom!

108 ELINOR 108
Slime to the rescue <GIGGLES>!

Camilla hugs her mother as Elinor <CHEERS> continue. Ms. Dromedary then holds up the ring and puts it on the counter.

109 MS. DROMEDARY 109
Now that that's done with, you should probably wash your hands, Camilla.

110 CAMILLA 110
Not just yet! Can I make aloe vera gel with you instead?

111 ELINOR 111
Me too! That sounds like fun!

112 MS. DROMEDARY 112
Of course! I'd love the extra helping hands!

The three <LAUGH> together as they get ready to get down to work.

MAKING ALOE VERA MONTAGE: -START MONTAGE W/ A WIDE, SHOWING EVERYONE AROUND THE ISLAND

-- With Ms. Dromedary watching closely and supervising, Elinor and Camilla concentrate as they break open more ALOE VERA LEAVES.

-- Elinor and Camilla watch in fascination as the Aloe Vera SLIME oozes out of the leaves and onto their hands.

-- Camilla, no longer grossed-out, plays with the Aloe Vera slime all around her hands as she and Elinor ~~dance a bit around the kitchen~~, enjoying the feel. They <LAUGH> together with Ms. Dromedary grinning at them.

-- Ms. Dromedary, Elinor and Camilla happily collect the Aloe Vera gel and BOTTLE it together. Ms. Dromedary then high-fives both girls. -MS. D STILL IN THE MIDDLE.

END MONTAGE

STILL AROUND ISLAND.

Elinor, Ms. Dromedary and Camilla finish bottling the Aloe Vera gel and Camilla puts some more on her hands.

113 CAMILLA 113
Slime might be sticky and slippery but it isn't so bad!

114 ELINOR 114
Especially if you're a snail or a worm!

She gives Camilla an apologetic look.

115 ELINOR 115
I'm sorry we didn't have our fancy tea party today.

116 CAMILLA 116
<GIGGLES> That's okay! We had something even more fun ... a SLIME PARTY!

They both look at each other and smile.

117 ELINOR/CAMILLA 117
Slime...is...FABULOUS!

They <SPLAT> more aloe vera gel on their hands and have a <GIGGLE> fit as we ...

FADE OUT.
